Re: Complaint about Bullying Student

Dear Ma'am

I am a student of class 6E. I am writing to complain about a classmate who continually bullies me. Her name is Vani Gupta. In the past week, she has stolen my money thrice and torn my books twice. She also makes me do her homework and hits me when I don't.

I have reported these incidents to the class teacher who promised to speak to you. However, I feel it is also crucial that I make a direct complaint. I fear that Vani's bullying will take a toll on my study. I would appreciate your prompt attention to this matter. If needed, I am available to answer any questions. Thank you for your time and consideration.

Sincerely,

Nandini
